Organization Chart & Staffing Plan

- Include an organizational chart for the leadership of your charter school. If the proposed school is part of a charter management organization include the reporting relationship to CMO-level leadership.
- Complete the staffing charts below for each school in the proposed plan.
  - Use the table to outline your staffing plan for each school. Adjust or add functions and titles, then add or delete rows as needed. Indicate the number of full time staff in each position per year. Please repeat each table to accommodate each school in your application.
