Complete one row of the following table for each school that your organization currently operates. *All data provided should be for the 2017-18 school year. If the data is not from the 2017-18 school year, please clearly label what year the data is from.*

If your organization operates three or fewer schools, please provide profiency data for the last three years for each of your schools. You may add a column to indicate which school year's data is represented in each row.
