RESOLUTION NO. 49-17**

The following resolution was offered by Leslie Ellison seconded by Woody Koppel:

A resolution authorizing the Superintendent and/or his designee to perform any and all ministerial or administrative acts that are required by the City of New Orleans Planning Commission and the City of New Orleans Department of Property Management in order to construct, reconstruct, develop, redevelop, manage and operate properties owned by the Orleans Parish School Board and accomplish real property transactions.

**WHEREAS**, many of the school sites owned by Orleans Parish School Board are comprised of separate lots of record that have never been re-subdivided; and

**WHEREAS**, certain buildings currently or will, once constructed, encroach onto neighboring lands including public rights-of-way; and

**WHEREAS**, these activities often have time constraints with fiscal consequences.

**NOW, THEREFORE, BE IT RESOLVED** that the Orleans Parish School Board hereby authorizes the Superintendent and/or his designee to execute on behalf of the Orleans Parish School Board any and all state and city applications and permits necessary for construction permitting, conditional use, resubdivisions, utilities, inspections, reviews and other documents related to those activities, relative to construction and renovation of Orleans Parish School Board school facility properties.
