Student 2

Student 2 is a 19-year-old, 12th-grader who scored at grade level on the initial math STAR Renaissance assessment and above grade level on the English STAR Renaissance assessment. Student 2 has an 8-month-old child for whom she only has two days of childcare per week. Student 2 has been primarily assigned to guided, independent study classes as well as an online AP English class. As a senior, postsecondary planning is important to Student 2, and she was assigned to a Senior Seminar, which maximizes her available hours at the school site.

Student 3

Student 3 is an 18-year-old, 11th-grader who scored at grade level on the initial math and English STAR Renaissance assessments and has passed the end-of-course tests in all subjects except English II. Student 2 works to help support his family; however, conversations between the student and his parents, teacher, and employer have resulted in Student 2 receiving an extended lunch hour to allow for school attendance. This extra time will help Student 2 achieve his goal of high school graduation.

Pathways In Education-New Orleans will be open to students from 8:00 a.m. to 5:00 p.m. each day. Since this is an extended school day, teacher will stagger their shifts with some teachers arriving later in the day and staying until the school closes. The first three hour instructional block runs from 8:30 a.m. to 12:30 p.m. and a second block runs from 1:00 p.m. to 4:00 p.m. Regardless of arrival time, each teacher will spend six hours a day working directly with students—either individually or in classroom settings. Most student meetings will take place Monday through Thursday; Fridays will be reserved for teachers to meet with students who need additional support, have missed appointments during the week, or for student grading and records maintenance. Teachers will also hold office hours from 8:00 a.m. to 4:00 p.m.
