Dear BOARD MEMBERS,

I have had an opportunity to learn about The Delores Taylor Arthur School for Young Men, a charter school proposed by Lyceum Schools, Inc.

As a resident of the New Orleans metropolitan area, I am encouraged by new and innovative educational opportunities for our young people. The Delores Taylor Arthur School has the potential to be an important part of the education system in New Orleans meeting the needs of at-risk boys in the city.

As a parent of a school-age male, I would have a strong interest in sending my son to this school and hope that you will approve the charter application.

Sincerely,
